

C.S.DAV PUBLIC SCHOOL

Kotwa Road, Bankat, Motihari

1. MESSAGE FROM THE PRINCIPAL

Dear Parents,

Greetings from C.S. DAV PUBLIC SCHOOL, MOTIHARI.

I welcome you all to another academic year 2025-26 ahead.

Both the old and new students and parents who would be joining us in the year 2025 will experience a plethora of both educational programmes and activities throughout the year at our campus.

In DAV schools, we have always felt that having the opportunity to educate other people's children is a rare privilege, bringing with it a huge responsibility to provide the best all-round education possible as we aim to prepare young people for happiness and success in their adult lives. At DAV schools we take this responsibility extremely seriously.

We believe that, school should be fun, and exciting as it keeps the students happy and happy children are more likely to be successful. We see it as our responsibility to bring out our student's talents, to broaden their interests and to develop their personal qualities. To do this we aim to foster confidence, perseverance, tolerance and integrity; to enhance communication skills; to embrace creativity; to encourage teamwork; and to promote an open minded and outward-looking mentality so that they are ready to play an active role in the upcoming challenging world. Our highly qualified academic staff have the talent to inspire young children through our curriculum. Tradition is important in DAV schools and we seek to build on the past while looking to the future—reliance on tradition alone would not have been enough to see DAV schools thrive for nearly 100 years. This is, and will remain, a forward-thinking school that enthusiastically embraces new opportunity. We also recognize that the development of character is every bit as important as good examination results. While mindful of our history we position ourselves at the forefront of innovation preparing our students with their mindset and skill set to thrive in the modern world. The school has set out to revolutionise education. We'd love you to join us.
